### CAR RENTAL LOSS AND DAMAGE

The following summary explains in general terms the Car Rental Loss and Damage Insurance offered to cardholders, at no extra cost, when renting a car from a commercial rental company with the card. This is a primary insurance. In other words, when you rent a car during a business trip you do not have to claim any other insurance before receiving the coverage under this benefit. However, if the car rental occurs during a personal trip this insurance covers in excess, that is, it allows the cardholder to receive reimbursement for loss or damage not covered by any other insurance. The reimbursement is based in the real cash value of the car, the repair cost or the replacement value of the rented car.

#### To Get Coverage
